

Riding  
for  
Smiles

## UPDATE

April 2021

Riding for Smiles is now on Facebook <https://www.facebook.com/ridingforsmiles/>

The brilliant news is that both Riding for Smiles and Coloured Cob are open, yes open. Lots of bookings, however, there is availability so please do contact Stephanie on [info@ridingforsmiles.org](mailto:info@ridingforsmiles.org) to reserve your sessions for your children / adults.

---

The second piece of great news is that the launch of our volunteer programme has been very well received. If you know anyone who would be happy to give an hour and a bit of their time, please direct them to the RfS Volunteer Page. <https://ridingforsmiles.org/volunteering-opportunities/>

---

The wheelchair carriage has arrived, and the new facilities will be built very soon. If you have wheelchair users, please think about bringing them along. Several schools asked for inclusivity, lets make it work. Please book through [info@ridingforsmiles.org](mailto:info@ridingforsmiles.org)

Also, to celebrate the arrival of the carriage. RfS with CCEC are offering family rides through the Craggs. RfS will fully fund all wheelchair users who come along with a family member(s). To book please go to <https://ridingforsmiles.org/carriage-offer/>

---

We have been working on our new web site and logo.

If you are a school or group, would the information on our site encourage you to come along? If you are a valued funder would our site attract new funding opportunities?

When you start to develop a web site, there is design, we got help funded by The National Lottery and then there is content. If you have photographs, artwork , poems, stories etc written by the children please share it so it can be shared across our site.

Please see <https://ridingforsmiles.org/case-studies/> to read about one of our amazing ladies who ride each week with a group supported by MIND.

---

Look up at the rainbow, the skies are blue, the sun is yellow. Look up at the sky and catch the dreams that you dare to dream, they really do come true. Blue has no dimensions, it's there for everyone to see. Blue brings peace and calm, opportunity, and inclusivity. Yellow is the colour that warms the soul, Yellow brings joy and happiness and energy. Riding for Smiles, blue and yellow, providing opportunities to bring peace and calm, to make dreams come true and to put a smile on a face.
