

June 2021 was our busiest month ever, ever!

In fourth place – May 2021 when RfS / CCEC delivered 117 experiences.

In third place – November 2019 when RfS / CCEC delivered 120 experiences.

In second place – October 2020 when RfS / CCEC delivered 138 experiences.

In first place – June 2021 (which included the half term holiday)
when RfS / CCEC delivered 253 experiences.

Every week for this half term we will deliver ten sessions for around 80 beneficiaries.

During this half term that is 60 sessions for around 480 beneficiaries.

Thankyou everyone, RfS staff, CCEC staff and volunteers, and school staff. Let's just pause for a few seconds to appreciate the wonderful children, young people and adults who benefit and the amazing horses and ponies who look after them so brilliantly.

We wanted to thank you for such a great start to the sessions. Every child has loved the opportunity, and many have told parents it was the best day of their life! We shared the photographs taken yesterday and all the parents were so proud.

Mrs Caroline Rodgers, Headteacher, Brockley Primary School

Watch out for the article on RfS in the July edition of BolSOver Magazine.

RfS needs to raise substantial additional funding to continue this level of support through the Autumn term

RfS is in detailed discussions with the National Lottery, Children in Need and some local organisations. Please can you all cross your fingers.
