Update

June 2022

Hi Angela and team,

Thank you so much from all of us at RfS. Thank you, the team and to all your participants. £350 will buy rosettes and some wheelchair restraints for use on the carriage.

Much of RfS funding is restricted, as it should be, to the provision of experiences. Donations, such as yours, allow us to buy stuff which really helps, in this case, recognition of achievement and inclusivity.

Regards, The RfS Team

Good Morning Geoff & Sharon

Just wanted to let you know that we've sent £350 your way as a result of the ProAktive Charity Bike Ride that we held last week

We raised money for 4 local charities put forward by our staff. I'm enclosing a picture taken on the day of the participants

Kind regards,

*Angela on behalf of the
Charity Team*
